12th January 2017.

Dear Knitsotte.

How are you and how is your life?

First and almost is thank God for life that we have in the earth.

We also him for new year 2017 and he ended 2016 alive.

Let me tell you that this year I have plan to work hard in senior three (SS) and I have plan to start keeping animals like Rabbits, goats, pigs, hens. So ask you kindly to help me.

Let me tell you that in Uganda this days we have too much sunshine.

Which cause draught of grasses and water for wild animals in National parks in Uganda.

I send ~~me~~ you greetings from our family to you and your friends.

With those few words I wish you new year and nice time.

May God bless you and give you more power.

Try Your Truly,

Onesmas Muthwezi.
